One hundred percent of the fruit is from our family's Schrader Ranch Vineyard in Mendocino County, California. It came from our Block 8 Merlot, which was planted in 1996 with 6' x 8' spacing, along the Robinson Creek and the Russian River. For more Vineyard photos and information refer to our website, [www.RIVINO.com](http://www.RIVINO.com).

### OUR SAMPLING THOUGHTS

A crisp crimson red color with a cherry and black truffle bouquet. More cherry in the mouth along with hints of tobacco, and red bell peppers. This is a cheerful wine to have with tomato based pastas, salads or a pork tenderloin.
