### VINEYARD

One hundred percent of the fruit is from our family's Schrader Ranch Vineyard in Mendocino County, California. It came from our Block 13 Cabernet Franc, which was planted in 1996 with 6' x 8' spacing, along the Robinson Creek and the Russian River. For more Vineyard photos and information refer to our website, [www.RIVINO.com](http://www.RIVINO.com).

### OUR SAMPLING THOUGHTS

This Cabernet Franc has a clean ruby red color. There are aromas of sweet bell peppers and violets. A lovely taste of chocolate, hints of tobacco, and a little chalky green apple is present on the palate. We enjoy this wine with dijon mustard glazed ham, BBQ'd pork tenderloin, or a thin crust marinara pizza.
